# Basic Weapons Awareness & Recognition Knife Crime Workshop

**Training for the recognition of weapons & how they can be concealed or disguised.**

**(1-Day Course – 10:00 – 15:30) flexible or bespoke.**

On completion of this course, the information and skills will provide successful learners with the skills they need to recognise a variety of weapons and how they might be concealed, in their working environments.

The course content covers heath and safety procedures for the handling of weapons, and introduces propellant, edged, striking and disguised weapons.

This course is considered essential for Front line employees, PCSOs, Neighbourhood, Street Wardens, Community Support Officers and others within their sub-sectors. It is highly recommended to the licensing, educational (teaching / lecturing), retail management and events stewarding sectors, Door Supervisors, Security Officers. Outreach staff working amongst the community will also find elements of the course very relevant, including reception or retail store staff.

## Course Objectives:

The main function is to promote safety and prevent injury and loss of life by:

- Raising an awareness of everyday weapons, their use and capabilities.
- Awareness of the specific threat from disguised weapons.
- Thinking differently about weapons
- THIS course is a MUST!

## Course Price:

**Call for bespoke quotation** based on a minimum group of five up to twelve in the group, reductions for larger bookings.
